Review of the week — a beautiful, friendly school and amazing teachers

A review that Gdoory Allam, a student from Saudi Arabia, left in English on Google Maps. The review praises a beautiful, friendly school where students feel welcome and relaxed, and kind, patient and professional teachers who always encourage students and make learning English enjoyable. It also gives special thanks to Mylene from the management for making sure students feel comfortable and well taken care of, and highly recommends HANA Academy to anyone who wants to improve their English in a positive and supportive environment.

Place of the week — KIM'S MALL, Clark, Angeles

An indoor activity mall where people from five countries — Korea, Japan, China, Saudi Arabia and the Philippines — spent a Wednesday evening after classes. They shared pho, bún chả and fresh spring rolls at Halong Bay, the Vietnamese restaurant on the ground floor, browsed K-MART and its shelves of Korean snacks, and then played a serious game of bowling as beginners at Rock N Bowl on the second floor. With restaurants, a supermarket, a bowling alley and a roller-skating rink under one roof, it is a good place to spend a hot or rainy evening.
